

ASX Announcement

11 July 2024

Alcoa Corp Preliminary Second Quarter 2024 Results

Alumina Limited (ASX: AWC) notes Alcoa Corporation (**Alcoa**) released preliminary second quarter 2024 results ahead of its Special Meeting of Stockholders to be held on 16 July 2024 (Eastern Daylight Time), and the Alumina Scheme Meeting to be held on 18 July 2024. Information on the AWAC joint venture and Alumina Limited is attached.

The information regarding Alcoa's second quarter 2024 results is preliminary, based upon the most recent information released by Alcoa and is subject to change and finalisation based on completion of Alcoa's quarter end close processes.

Alcoa will announce its second quarter 2024 results on or around 17 July 2024. Any changes to the preliminary results that are material to Alumina shareholders will be announced on ASX.

Shareholder Information Line

Alumina and Alcoa are progressing implementation of the transaction for Alcoa to acquire 100% of the fully paid ordinary shares in Alumina consistent with the Scheme Booklet which was released on 11 June 2024¹.

If you have any questions in relation to the Scheme or the Scheme Booklet, please contact the Alumina Shareholder Information Line on 1800 990 479 (within Australia) or +61 1800 990 479 (outside Australia), between 8.30am and 5.30pm (AEST), Monday to Friday (excluding public holidays).

This ASX announcement was approved and authorised for release by Mike Ferraro, Chief Executive Officer.

¹ See Alumina's ASX announcement dated 11 June 2024 which included the explanatory statement providing information about the Scheme and notice of Scheme Meeting (Scheme Booklet).

About AWAC & Alcoa's Earnings Release

Alumina Limited owns 40% of each of the AWAC entities, which form a part of the Alcoa bauxite & alumina business segments. The Alcoa aluminium business segment includes the AWAC Portland smelting operations. Any closed operations are included in Transformation & legacy pension/OPEB. Therefore, the AWAC results cannot be directly inferred from the Alcoa earnings release. Further, unlike Alumina Limited, Alcoa reports under US GAAP. All figures displayed are in US dollars unless otherwise shown.

Forward-looking statements

Neither Alumina Limited nor any other person warrants or guarantees the future performance of Alumina Limited or any return on any investment made in Alumina Limited securities. This document may contain certain forward-looking statements, including forward-looking statements within the meaning of the US Private Securities Litigation Reform Act of 1995. The words "anticipate", "aim", "believe", "expect", "project", "estimate", "forecast", "intend", "likely", "should", "could", "will", "may", "target", "plan" and other similar expressions (including indications of "objectives") are intended to identify forward-looking statements. Indications of, and guidance on, future financial position and performance and distributions, and statements regarding Alumina Limited's future developments and the market outlook, are also forward-looking statements.

Any forward-looking statements contained in this document are not guarantees of future performance. Such forward-looking statements involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Alumina Limited and its directors, officers, employees and agents that may cause actual results to differ materially from those expressed or implied in such statements. Those risks, uncertainties and other factors include (without limitation): (a) material adverse changes in global economic conditions, alumina or aluminium industry conditions or the markets served by AWAC; (b) changes in production or development costs, production levels or sales agreements; (c) changes in laws, regulations, policies or regulatory decision making; (d) changes in alumina or aluminium prices or currency exchange rates; (e) Alumina Limited does not hold a majority interest in AWAC and decisions made by majority vote may not be in the best interests of Alumina Limited; and (f) the other risk factors summarised in Alumina Limited's Annual Report 2023 and Scheme Booklet dated 11 June 2024. Readers should not place undue reliance on forward-looking statements. Except as required by law, Alumina Limited disclaims any responsibility to update or revise any forward-looking statements to reflect any new information or any change in the events, conditions or circumstances on which a statement is based or to which it relates. Past performance is no guarantee or indication of future performance.

Disclaimer

Summary Information

This Presentation contains summary information about the current activities of Alumina Limited (ACN 004 820 419) (**Alumina**) and its subsidiaries as at the date of this Presentation. The information in this Presentation should not be considered to be comprehensive nor to comprise all the information that a reader may require in order to make an investment decision regarding Alumina securities. This Presentation should be read in conjunction with Alumina's other periodic and continuous disclosure announcements lodged with the ASX, which are available at www.asx.com.au.

No Offer, Recommendation or Advice

This Presentation is for information purposes only and is not a prospectus, product disclosure statement or other disclosure or offering document under Australian or any other law. It does not constitute an offer, invitation or recommendation to acquire Alumina securities in any jurisdiction and neither this Presentation nor anything contained in it will form the basis of any contract or commitment. The information contained in this Presentation is not financial product advice, or any other advice, and has been prepared without taking into account any reader's investment objectives, financial circumstances or particular needs.

Forward-Looking Statements

Neither Alumina nor any other person warrants or guarantees the future performance of Alumina or any return on any investment made in Alumina securities. This Presentation may contain certain forward-looking statements, including forward-looking statements within the meaning of the US Private Securities Litigation Reform Act of 1995. The words "anticipate", "aim", "believe", "expect", "project", "estimate", "forecast", "intend", "likely", "should", "could", "will", "may", "target", "plan" and other similar expressions (including indications of "objectives") are intended to identify forward-looking statements. Indications of, and guidance on, future financial position and performance and distributions, and statements regarding Alumina's future developments and the market outlook, are also forward-looking statements.

Any forward-looking statements contained in this document are not guarantees of future performance. Such forward-looking statements involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Alumina and its directors, officers, employees and agents that may cause actual results to differ materially from those expressed or implied in such statements. Those risks, uncertainties and other factors include (without limitation): (a) material adverse changes in global economic conditions, alumina or aluminium industry conditions or the markets served by AWAC; (b) changes in production or development costs, production levels or sales agreements; (c) changes in laws, regulations, policies or regulatory decision making; (d) changes in alumina or aluminium prices or currency exchange rates; (e) Alumina Limited does not hold a majority interest in AWAC and decisions made by majority vote may not be in the best interests of Alumina Limited; and (f) the other risk factors summarised in Alumina's Annual Report 2023 and the Scheme Booklet dated 11 June 2024. Readers should not place undue reliance on forward-looking statements. Except as required by law, Alumina disclaims any responsibility to update or revise any forward-looking statements to reflect any new information or any change in the events, conditions or circumstances on which a statement is based or to which it relates. Past performance is no guarantee or indication of future performance.

Reliance on third party information

The views expressed in this presentation contain information that has been derived from third party sources that have not been independently verified. No representation or warranty is made as to the accuracy, completeness or reliability of the information. The presentation should not be relied upon as a recommendation or forecast by Alumina.

Basis of preparation and non-IFRS information

Consolidated Financial statements of Alumina prepared in accordance with Australian Accounting Standards (AAS) also comply with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board. Certain non-IFRS financial information is also presented. AWAC financial information presented has been extracted from unaudited combined financial statements prepared in conformity with accounting principles generally accepted in the United States of America (US GAAP). All financials are USD unless otherwise shown.

No Liability

The information contained in this Presentation has been prepared in good faith and with due care but no representation or warranty, express or implied, is provided as to the currency, accuracy, reliability or completeness of that information.

To the maximum extent permitted by law, Alumina and its directors, officers, employees and agents, and any other person involved in the preparation of this Presentation, exclude and disclaim all liability for any expenses, losses or costs incurred by any person arising out of or in connection with the information contained in this Presentation being inaccurate or incomplete in any way for any reason, whether by negligence or otherwise.

Highlights

Alcoa's Alumina Segment	2Q 2024 Preliminary	1Q 2024	Selected Highlights
Adjusted EBITDA Total:	\$180-190m	\$139m	<ul style="list-style-type: none"> Higher API partly offset by lower production and higher cost of production
AWAC	2Q 2024 Preliminary	1Q 2024	Comments
Production*: <ul style="list-style-type: none"> AWAC Refining Business (Million t) AWAC Mining Business (Million bone dry tonnes – "bdt") 	~2.4 ~9.2	2.5 9.6	<ul style="list-style-type: none"> Refining production is slightly lower than the previous quarter following the full curtailment of the Kwinana Refinery. The San Ciprian refinery also remains partly curtailed. Mining production was lower in response to refining demand.
Alumina Cost and Price: <ul style="list-style-type: none"> System Cash Cost (\$/t production) System Cash Cost (Ex SC & Kwinana) (\$/t prod) Realised Price (\$/t shipments) One month lagged API (\$/t) 	~\$306 ~\$288 ~\$395 ~\$391	\$301 \$275 \$362 \$356	<ul style="list-style-type: none"> System cash cost (includes bauxite at cost): cost of production is higher in the second quarter driven by higher seasonal maintenance and costs associated with Kwinana curtailment. Realised Price: Increase in line with the one month lagged API 10% higher
Alumina Limited	2Q 2024	1Q 2024	Comments
AWAC Net Distributions: <ul style="list-style-type: none"> Alumina Limited Receipts Alumina Limited Contributions 	\$25.7m (\$4.4m)	\$5.8m (\$60.5m)	<ul style="list-style-type: none"> Net distributions to AWAC of \$21.3 million in 2Q 2024
Net Debt / (Cash) – Period End:	\$355.6m	\$360.2m	<ul style="list-style-type: none"> Lower net debt following net distributions from AWAC

*Refining / Mining: Includes CBG and excludes Ma'aden.

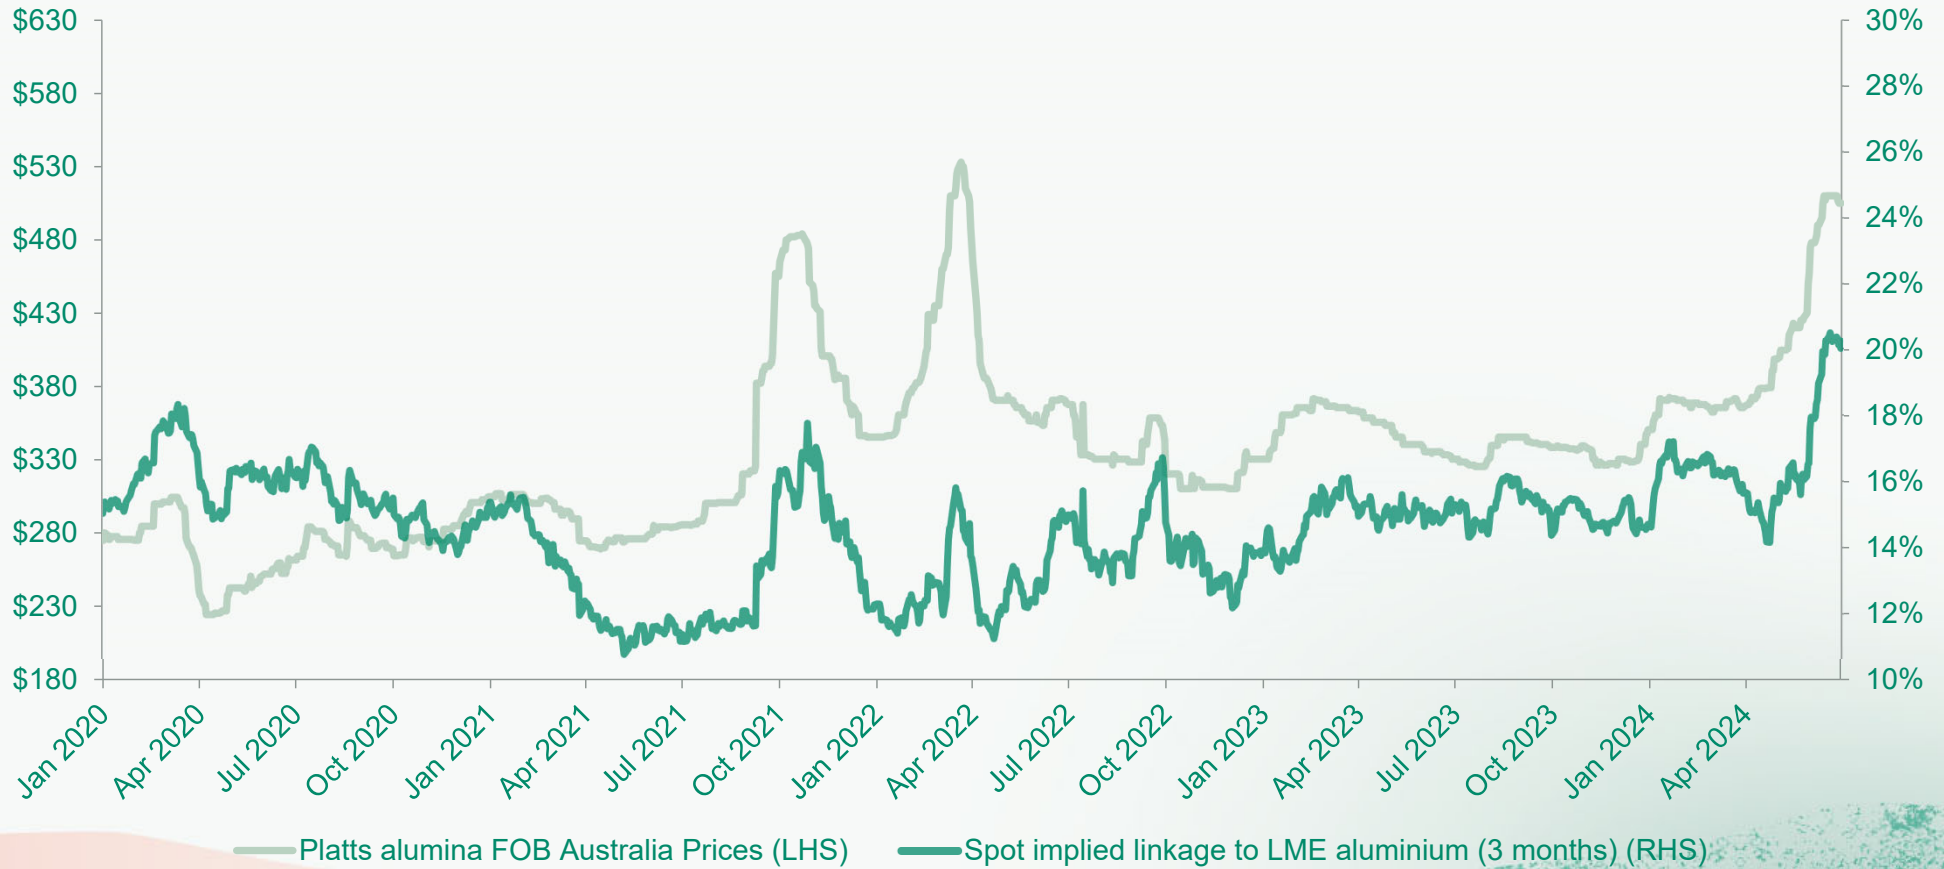

AWAC 2024 Cash Flow Calendar (US\$m)

2024: No later than	Relevant AWAC Entities	Description	Distributions from AWAC ^[1]	Contributions to AWAC ^[1]
20 January	All	50% of each entity's US GAAP Net Income (if positive) for 4Q of previous year	5.8	
20 February	All except AWA LLC	Available Cash of each entity as at 31 January	-
